

## EXALTE OKITOKENGE WEMBONYAMA

---

77 Lindhout Street Krugersdorp | +27760790419 | [exalteokito@gmail.com](mailto:exalteokito@gmail.com)

**Objective** As an aspiring graduate student in computer science, I am seeking internships and part-time positions to gain practical experience in software development, data analysis, and machine learning. Committed to leveraging my technical skills and passion for innovation to contribute to cutting-edge projects.

### Education

Eduvos

Pursuing a Bachelor of Science in **Computer Science**

Expected Graduation: **December 2023**

### Relevant Courses and Projects

#### Object-Oriented Programming (C++, C#):

- Developed a School Registration application using C#.
- Gained in-depth knowledge of object-oriented programming principles.

#### Networking & Computer Security:

- Acquired skills in computer network management and security protocols.

#### Database Systems (MySQL):

- Designed and implemented database systems.

#### Information Systems:

- Studied the fundamentals of information systems and their role in organizations.

#### E-commerce Website Development:

- Designed and developed a fully functional e-commerce website.
- Managed product listings, user accounts, and order processing.

#### Final Year Project: IAMWORX

- Assisted in the development of a web-based system called IAMWORX.
- Worked as a front-end developer, collaborating with cross-functional teams to enhance IAMWORX functionality and performance.

### Activities/ Leadership

#### Eduvos Midrand (May 2023 – Jun 2023)

- Volunteer at A.F.S.A (Association of French Students)
- Actively participated in A.F.S.A events.
- Led French conversation tables to help non-francophone students improve their French conversational skills.
- Organized and facilitated engaging events.

### Languages

Fluent in English and French
